

Oral presentation instructions and requirements:

- The working group leader will moderate the session, and together with a local organizer staff member he will keep the presentation timing order.
- Per presenter 7 minutes are allocated including: 5 minutes for the oral presentation and 2 minutes for transition between presentations and introduction of presenter to the public. Please respect the timing, this will be strictly monitored.
- 3-4 presentations per cluster with a Q&A section for all presenters in the presentation cluster at the end of last presentation.
- All presenters should be at the session room on time before the start of their session, as scheduled below.
- Send the presentation to timothy.vervaet@ugent.be the latest by 3 March 2023. All presentations will be preloaded on a laptop from the local organizer staff to guarantee correct display and smooth transitions.

Poster presentation instructions and requirements:

- Poster printed maximum in A0 size. There are no printing facilities at the venue, so please bring your printed poster.
- A random allocation number will be provided to you and will be displayed on the poster stand.
- You are responsible for the installation of your poster, which is possible only during 8:30-9:00 and 12:35-13:30. Adhesive tape to hang the posters will be provided.
- Collect your poster once the poster session has finished.

Note: The presenter is free to use the WECANet powerpoint presentation and poster templates available on the WECANet website.
